

Mirror Painted Butterfly

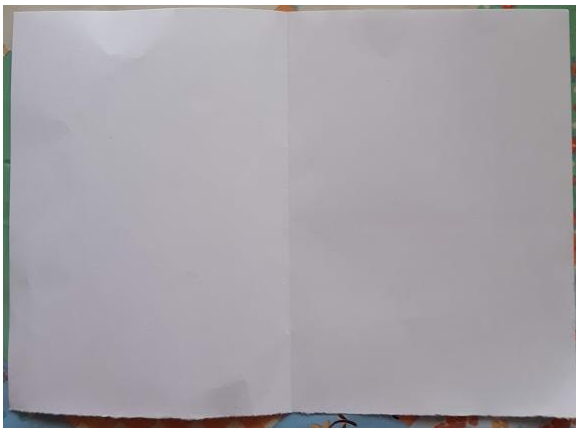

You Will Need

White Paper/Art Card

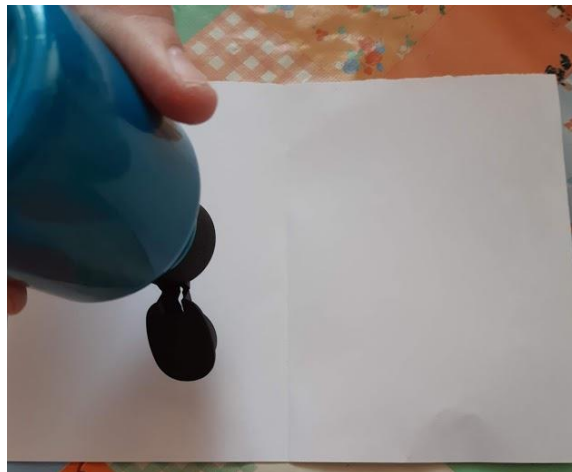

Different Coloured Paints

Pipe Cleaner

Step 1: Fold your paper in half down the middle.

Step 2: Drip some small dots of paint onto one side of your paper.

Step 3: Fold your paper over and press down hard.

Step 4: Unfold your paper and have a look at the pattern you have made. See how many different patterns you can create by putting dots of paint in different places.

Step 5: Add more dots of paint and repeat step 3 to add to your pattern.

Step 6: Leave to dry.

Step 7: Draw your butterfly onto your paper. You can really be creative here! Your butterfly will look different depending on where you choose to draw it over your pattern.

Step 10: Cut your butterfly out and make some antenna out of your pipe cleaner. Stick it on. Your butterfly is now FINISHED!
